HISTORY OF THE FRANCHISE

The Calgary Flames will mark their 28th NHL season, 29th year in Calgary, and 24th year in the Pengrowth Saddledome during the 2008-09 season. Since their arrival in 1980, the team has captivated hockey fans with their on-ice success, including a Stanley Cup victory in 1989, while establishing a solid off-ice reputation for community involvement through millions of dollars of contributions to charitable organizations throughout southern Alberta.

On May 21, 1980 Nelson Skalbania and a group of Calgary entrepreneurs consisting of Doc and B.J. Seaman, Harley Hotchkiss, Norm Green, Ralph Scurfield, and Norman Kwong announced the acquisition of the Atlanta Flames franchise and declared their intention to relocate the team to Alberta. In August, 1981 Skalbania sold his interest in the team to the Calgary contingent. The remaining six local businessmen continued to hold exclusive ownership until June 15, 1990 when Norm Green left to become owner of the Minnesota North Stars (now Dallas Stars). On August 8, 1994 further revisions to the club ownership structure saw the addition of six new investors and the departure of two of the team's original owners (Norm Kwong and Sonia Scurfield). Subsequent changes in 2001 resulted in the current group of eight owners: N. Murray Edwards, Harley N. Hotchkiss, Alvin G. Libin, Allan P. Markin, the estate of J.R. McCaig, Daryl K. Seaman, Byron J. Seaman, and Clayton B. Riddell, who jointly control operations for the Calgary Flames, the Pengrowth Saddledome, and the WHL Calgary Hitmen Hockey Club.

On October 9, 1980 in their inaugural game at the Stampede Corral, the Flames battled the Quebec Nordiques to a 5-5 tie. The team played a total of 146 league, playoff, and exhibition games at the Corral, losing only 28 regular season and four playoff games in three seasons, before moving across the street into the Saddledome in October, 1983. The Flames formally assumed management of the Saddledome on August 1, 1994 and after extensive renovations, the venue was reopened on October 25, 1995. Today, the Pengrowth Saddledome is recognized as one of the pre-eminent entertainment facilities in North America.

The 2003-04 season saw the launch of an exciting new red jersey as the Flames' home sweater, while the traditional whites were worn strictly for road games. The 'C of Red' was revived during the NHL playoffs, and the red Flames jersey became one of the top-selling jersey launches in NHL history. With the start of the 2007-08 season, the NHL will introduce the Reebok Edge uniform system which will result in minor striping changes to the Flames jersey. The alternate black jersey will be officially retired.

In their 27-year history, the Flames have become a premier franchise in the NHL. They have captured two President's Trophies for finishing first overall (1987-88, 1988-89), three Clarence Campbell Conference titles (1985-86, 1988-89, 2003-04), two Smythe Division playoff championships (1985-86, 1988-89), two Pacific Division

The 2008-09 season marks the 20th anniversary of the Flames victory over the Montreal Canadiens in the 1988-89 Stanley Cup Final. Calgary won the series 4–2, claiming its first championship.

titles (1993-94, 1994-95), and a Northwest Division title (2005-06), plus several NHL individual and team honours and numerous attendance records.

The pinnacle of the team's history was being crowned Stanley Cup champions for the 1988-89 season when they defeated the Montréal Canadiens. The Flames' first appearance in the finals was in 1986, and their most recent in 2004, when they electrified not only the city of Calgary but captivated all of Canada with the inspirational playoff run.

The Flames followed up that performance by winning the tough Northwest Division in 2005-2006 with 103 points, ranking seventh overall in the NHL and winning the William Jennings Trophy. That same year, goaltender Miikka Kiprusoff was awarded the Vezina Trophy as the NHL's top goaltender, while Dion Phaneuf was nominated for the Calder Trophy as the league's best rookie.

PRESIDENT AND CHIEF EXECUTIVE OFFICER

**Ken
KING**

Ken King has a big heart, a strong handshake, and a soft spot for Calgary, the Calgary Flames and Calgary Flames fans.

President and Chief Executive Officer of the Flames since summer 2001, King puts his family first.

But, close behind are Flames fans who also cherish the traditions and excitement of the National Hockey League. Look for him greeting fans between periods. He is genuinely interested in what they have to say about the game and their team.

King is also enthusiastic about the business of hockey and devoted to serving the Calgary community.

Like you, King has enjoyed the incredible Calgary Flames journey in recent years. He appreciates a resurgence of support both inside the Pengrowth Saddledome and across southern Alberta. And he too longs for another spectacular 2003/2004-type season, the road to the Stanley

Cup finals and this time - a championship.

Born and raised in Hanley, Saskatchewan, King launched a 30-year career in the newspaper business that included senior executive positions in Canada's leading newspapers including President and Publisher of the Calgary Sun and Calgary Herald.

During his newspaper career in Calgary, King was acknowledged for his innovative marketing, establishment of healthy corporate relationships, spirited community leadership and appreciable growth for the newspapers.

King is a strong believer in contributing to the community and he spends an enormous amount of time with community efforts. His current involvement spans numerous organizations, including co-chair of REACH (a \$300 million medical fund-raising initiative), the Calgary Committee to End Homelessness, the Calgary Sport Tourism Authority, the Calgary Exhibition & Stampede, Borden Ladner Gervais CIAU Athlete of the Year Awards Committee and the Rotary Club of Calgary.

Previous support and commitment involved the Calgary Prostate Cancer Centre, Calgary Philharmonic Society, No Ka Oi Ranch Foundation and past-chairman of the Calgary Chamber of Commerce.

In 2005, King received an Alberta Centennial Medal for outstanding contributions to the province of Alberta. Other awards include the Queen's Golden Jubilee Medal for community service and the commemorative medal for the 125th Anniversary of the Confederation of Canada. In 1991, he was honoured as B'Nai Brith Man of the Year.

King is an avid but mediocre golfer and like many other Albertans, shares a passion for horses which he most often, but not always, stays mounted on. He and his wife, Marilyn, have two daughters, Amanda and Jocelin. King also has twin grandsons - first round NHL draft picks in 2022.

He also serves as an Alternate Governor of the NHL and President & Chief Executive Officer of the Western Hockey League's Calgary Hitmen.

GENERAL MANAGER

**Darryl
SUTTER**

The 2008-09 NHL season will mark Darryl Sutter's fifth season as the club's General Manager after spending his first two years with the club as both Head Coach and GM. Under Sutter's guidance, the Flames qualified for the playoffs for a fourth consecutive year during the 2007-08 season. The 2006-2007 NHL season was Darryl Sutter's first in the General Manager's office full-time and the Flames third consecutive playoff appearance with him at the helm. During the 2005-2006 season, Sutter led the Flames to 103 points and the Northwest Division pennant, while carrying the dual responsibility of GM/Coach. The 2003-2004 campaign saw the Flames capture the Western Conference championship before falling to the Tampa Bay Lightning in game 7 of the Stanley Cup Finals. For Sutter, it was his second trip to the Finals during his coaching career. In his 27 years in the game of hockey as a player and a coach from junior to the NHL, including coaching stops in both the International Hockey League and the NHL, Sutter has reached the post season in all but one season.

Sutter joined the Calgary Flames as Head Coach on December 28, 2002. On April 11, 2003, he also added the position of General Manager to his title. Darryl has quickly made his mark on the Calgary Flames. He has drafted top prospects, re-signed many of the Flames free agents and made key transactions that were of extreme importance in establishing an identity for the club while leading the Flames to the Stanley Cup playoffs.

Before joining the Flames, Sutter was the San Jose Sharks franchise leader in regular season games coached (434) and wins (192). Following the 2001-02 season Sutter became only the second coach in NHL history (New York Islanders – Al Arbour) to improve his team's point total for five consecutive seasons. The Viking, Alberta native led the Sharks to their first Pacific Division Title while setting new franchise records in wins (44) and points (99) during the 2001-02 campaign.

Prior to the Sharks, Sutter coached Chicago for three years (1992-95) and spent two seasons (1995-97) with the Blackhawks as a consultant for special assignments. As the Blackhawks Head Coach, Sutter led his team to the playoffs in all three seasons, including a trip to the Conference Finals in 1995 and a Norris Division title in 1992-93.

Sutter spent the 1987-88 campaign as a Blackhawks Assistant Coach to Bob Murdoch and served as an Associate Coach for Mike Keenan during the 1990-91 and 1991-92 seasons. During his final season as Associate Coach, the Blackhawks advanced to the Stanley Cup Finals before falling to the Pittsburgh Penguins.

Darryl spent two seasons coaching the Blackhawks top development affiliate in the IHL, which played in Saginaw (1988-89) and in Indianapolis (1989-90). Under Sutter's leadership, the Indianapolis Ice stormed through the regular season with 114 points and won the IHL's Turner Cup Championship with a 12-2 run in the playoffs while Sutter earned the League's Commissioner's Trophy as Coach of the Year.

During his eight-year playing career with the Blackhawks from 1979-87, Sutter scored 279 points (161 goals, 118 assists) with 288 penalty minutes in 406 NHL career games. He also posted 43 points (24 goals, 19 assists) in 51 playoff games. He was drafted by Chicago in the ninth round, 179th overall, in the 1978 NHL Entry Draft.

HOCKEY HALL OF FAME

AL MACINNIS - Player, 1981–1994, Inducted – 2007

On November 12, 2007, Al MacInnis became the 10th member in the history of the Calgary Flames organization to be honored with induction into the Hockey Hall of Fame.

Born Allan MacInnis on July 11, 1963 in Port Hood, Nova Scotia, Al played junior for the Kitchener Rangers beginning in 1980-81. During the summer of 1981, MacInnis was drafted in the first round, fifteenth overall, by the Flames. Although he played a handful of games for the Flames in both 1981-82 and 1982-83, MacInnis continued his junior career, which included a Memorial Cup championship in 1982.

After spending the early part of the 1983-84 season with the CHL's Colorado Flames, MacInnis became a full-time member of the Calgary Flames' blueline later that season, playing 51 games and scoring 11 goals and 34 assists for 45 points.

MacInnis spent thirteen seasons with Calgary before moving to St. Louis, but left Alberta having evolved into one of the most effective defencemen in the NHL. While with the Flames, he played in eight All-Star Games, but more importantly, was a key component of a Stanley Cup championship for Calgary in 1989, the first in franchise history. For his contributions in the playoffs that spring, including 7 goals and 24 assists in 22 games, MacInnis was awarded the Conn Smythe Trophy. In a franchise high 803 games played, MacInnis recorded 822 points as a member of the Flames. He also holds the career franchise record for Assists (609).

HARLEY HOTCHKISS - Owner, 1980 - Present, Inducted – 2006

On June 28, 2006, Flames co-owner Harley Hotchkiss received the prestigious honour of election to the Hockey Hall of Fame. Harley is the youngest of six children raised on a farm near Tillsonburg, Ontario. He spent his winters on the pond playing hockey emulating his beloved Toronto Maple Leafs. His idol was Syl Apps. In addition to dreaming of playing in the NHL, the young Hotchkiss also planned a second career in the business world, just in case. The game of hockey was the beneficiary of Harley's practical side as he has used his business success to ensure the growth and development of hockey in Canada.

An original member of the Flames ownership group, Harley Hotchkiss was among this group of local businessmen who introduced the National Hockey League to the City of Calgary in the spring of 1980. The pinnacle of their storied history occurred in 1989 when the Flames captured the Stanley Cup. Of his numerous contributions to the game, his most recent efforts and role on behalf of the NHL were to find a resolution to the NHL labour dispute that forced the cancellation of the 2004-2005 season. Harley served six two-year terms as Chairman of the NHL Board of Governors.

Harley has been an avid supporter of Hockey Canada. The Flames make annual financial contributions to Hockey Canada for the continued development and growth of the game. With the investment in bringing the NHL to Calgary, the purchase of the Flames funded the creation of the Centre of Excellence that offered coaching clinics, research in hockey development and sports injuries as well as athletic scholarships to Canadian universities. The introduction of Project 75 contributed over \$8 million that is distributed by Hockey Canada to benefit the game throughout the country.

His involvement in hockey reaches from the grassroots to the top branch. As a young college athlete at Michigan State University, Harley was a member of the 1950 Spartans varsity hockey club. He continues to maintain a director's position for the Hockey Hall of Fame. His generosity for other like-minded hockey people is continuously demonstrated as he has made contributions for the construction of hockey arenas throughout Canada including Fox Valley, SK and Aylmer, ON.

PETER MAHER - Play by Play, Inducted – 2006

Flames play-by-play man, Peter Maher was honoured by the Hockey Hall of Fame as the winner of the 2006 Foster Hewitt Memorial Award. Maher has been the voice of the Flames since the 81-82 season. A native of Campbellton, New Brunswick, Maher's success as a hockey play-by-play voice led to his induction into the New Brunswick Sports Hall of Fame in 1996. Maher has also called World Championship games, six NHL All-Star games, and the Stanley Cup Finals in '80, '86, '89 and '04.

The award, named in honour of the late Foster Hewitt is presented in recognition of members of the radio and television industry who have made outstanding contributions to their profession and to the game of hockey.

CLIFF FLETCHER - General Manager 1972-1991, Inducted – 2004

After an outstanding forty-eight year career that continues in the NHL, Cliff Fletcher was elected to the Hockey Hall of Fame as a Builder in 2004. Fletcher began his hockey career in 1956 with the Montreal Canadiens organization, starting as a scout under Sam Pollock. He joined the St. Louis Blues, eventually earning the role of Assistant General Manager, and helped manoeuvre the Blues into the Stanley Cup final during the first three years of the franchise's existence. Cliff Fletcher was hired as the inaugural General Manager of the Atlanta Flames. He helped orchestrate the franchise's subsequent move from Atlanta to Calgary in time for the 1980-81 season. During Cliff's regime with the Flames, his teams made the playoffs sixteen straight seasons and finished first in their division in 1987-88, 1988-89 and 1989-90. In 1988-89, the Calgary Flames won the Stanley Cup. Lured to Toronto in 1991, Fletcher spent six seasons as Chief Operating Officer, President and General Manager of the Maple Leafs. He was named the 1993 Executive of the Year by The Hockey News. As a team, Toronto improved by an incredible 32 points from 67 points in 1991-92 to a franchise-high 99 points in 1992-93. Following two seasons with the Tampa Bay Lightning as Senior Advisor to the General Manager, Fletcher was hired by the Phoenix Coyotes as Executive Vice-President and General Manager. Although all five Cups ('84, '85, '87, '88, '90) were collected while backstopping the Edmonton Oilers, Fuhr completed his career as a member of the Calgary Flames. On October 22, 1999 the Flames defeated the Florida Panthers and Fuhr attained his 400th career win and became only the sixth goaltender in NHL history to reach that milestone. Fuhr's accomplishments include six All-Star Game appearances, Vezina Trophy ('87), Jennings Trophy ('94) and two Canada Cup titles ('84 and '87).

Along with teammates Serge Savard and Larry Robinson, formed one of the top defence corps in the NHL. In 884 career games Lapointe recorded 622 points (171g, 451a).

Posted a career coaching record of 234-188-58 with Calgary (1982-83 - 1986-87) and Pittsburgh (1990-91). Led the Penguins to a Stanley Cup Championship in 1991. GLENN HALL - Goaltending Consultant, 1988 - 2000, Inducted – 1975

During his 18 seasons in the NHL, Glenn "Mr. Goalie" Hall, posted a 2.51 GAA and was consistently recognized as a top goaltender, being selected to the All-Star team 11 times. He still holds the record for most consecutive games by a goaltender, with 502, and appeared in 906 league games. Captured three Vezina Trophies, the Conn Smythe Trophy, one Stanley Cup and 13 All-Star Game appearances. In 1988 the Chicago Blackhawks retired Hall's jersey.

FLAMES FOUNDATION FOR LIFE

The Flames Foundation for Life is the charitable arm of the Calgary Flames through which more than 32 million dollars in funding has already been directed to education, medical research, amateur sport and recreation. The Calgary Flames are proud to continue their commitment to the community through ongoing partnerships.

Rotary Flames House

The Rotary Flames House will be Alberta's first pediatric hospice and respite centre for terminally ill children. The centre will be located within easy access to the Alberta Children's Hospital and will have eleven patient rooms, therapeutic activity areas and a classroom. The Rotary Flames House will be open in 2009.

Our Gift To The Community

The "Rotary/Flames Gift to the Community" is a joint effort that both organizations are enthusiastic about. This alliance is committed to enhancing the existing fundraising efforts of the Rotary Clubs and the Flames Foundation for Life. This partnership encompasses the Rotary Flames House, the Rotary Flames Park and the REACH! Initiative.

Rotary Flames Park

The park, located at the Southern Alberta Ronald McDonald House, is a two-acre oasis that includes a tots' playground, team play area and many quiet garden retreats. The area, framed by several trees, provides privacy and a quiet sanctuary for families visiting the house.

REACH!

This joint fundraising initiative through the University of Calgary and the Calgary Health Region, is working with philanthropic leaders like the Flames Foundation for Life and the Rotary Club, to achieve a new world standard of health for Southern Albertans. This partnership involves five key areas: Public Health & Wellness, heart Disease, Neuroscience, NeuroArm as well as the Alberta Bone & Joint Health Institute.

Amateur and Grassroots Sports

Hockey development and education have always been, and will continue to be, at centre ice for the Calgary Flames Hockey Club. In addition to the Flames annual support of the Flames Financial Assistance Program (FFAP) for Minor Hockey, the players and coaches are involved in various minor hockey initiatives. FFAP was designed to help address the higher cost of registration for hockey programs, which ultimately prevents many local children from participating in the sport.

Through a combined effort, we are able to provide hundreds of local kids with the opportunity to participate in minor hockey programs each winter. This partnership has become an important component of the annual KidSport™ program, and helps keep minor hockey programs accessible to kids from low-income families. The FFAP program distributed \$75,000 in registration fee assistance to 173 local kids in 2006. Since 2000, the program has distributed \$563,690 in support of 1,536 local minor hockey kids.

The Calgary Flames continue to support the original mandate of the Flames ownership group made 27 years ago; to make a positive impact on the quality of life for all Calgarians. Through strong and continuously growing programs in the community the Flames have touch the lives of thousands of youth through community programs and have generated over \$32 million for the Flames Foundation for Life. Flames players activate Calgary fans in the community to create the social fabric in a city that bleeds red—working to breed Flames fans, for now and for the future, through their active and persistent involvement in the community.

Calgary Flames Charity Celebrity Golf Classic

This highly anticipated golf tournament raised over \$300,000 for the Flames Foundation for Life last season. Just before training camp Flames players, prospects, coaches and alumni gather for a last game of golf before the season with over 350 players.

Danone Superskills

All Flames players, coaches and Calgary minor hockey players take to the ice to compete in this fun-filled event for skill titles. Last season fastest skater Matthew Lombardi, hardest shot winner Adrian Aucoin, and shooting accuracy winner Alex Tanguay were applauded by a packed house at the Pengrowth Saddledome. The event raised over \$60,000 for the Flames Foundation for Life and NHLPA's Goals and Dreams Fund.

Flames Ambassador Celebrity Poker Tournament

This third annual poker tournament brought together the entire Flames team and coaching

staff along with Flames alumni and local celebrities, plus over 300 participants last season to lay all the cards on the table for the Flames Foundation for Life. Last year's tournament raised over \$400,000. This year will mark the fourth annual event.

Reading ...Give It A Shot!

This will mark the 13th season Flames players have been visiting Grade 4, 5 and 6 students as part of the Reading ...Give It A Shot! program. Last season's program included 43 schools and over 1,225 students. With the results of the program improving each year, a reported 96 per cent of these students have improved motivation to read. This reading incentive program encourages students to read by combining player visits with a bookmark reward system. For every 100 minutes of reading, students are rewarded with a commemorative bookmark featuring Flames players.

There's an unwritten code in Canada. If you live by it, chances are you've replaced the last beer in a cooler. You don't talk during another country's national anthem. You've never shaved anything below your neck. You've shovelled your neighbour's driveway because you felt like it. You've never talked about work on a long weekend. You've made a ball out of hockey tape. You've never peed in the gym shower. You've said sorry after someone bumped into you. You've never lied about how many fingers were behind your back. You've mastered the art of cheering for a goal without spilling a drop. You understand that every once in a while you have to be the goalie. You know that the driver picks the tunes. You've thrown a hat on the ice. You've never ended an email with a smiley face. You put a loonie on the pool table to claim the next game. You've never brought utensils on a camping trip. You've helped a total stranger out of a snow bank. You pick a concession line not based on how long the line is, but how competent the cashier looks. You've never whispered sweet nothings into your girlfriend's ear while in the presence of dudes. You don't need lighter fluid to start a fire. And if your buddy's shoes don't get him into the club, you all try the next place.
